**FUEL strives to be a leading social & networking group that will allow the young professionals in our community to advance their professions and grow their business opportunities all while making new connections.**

## **MEMBER PERKS**

FUEL memberships include the following:

- Social and networking opportunities with other upcoming professionals in our community.
- Opportunities for business networking.
- Personal & Professional development opportunities.
- Access to member only events.
- Discounted or free entrance to ticketed events.
- Can serve on FUEL Action Teams.
- Active members are eligible for future openings on the FUEL Steering Committee.
- Mentor Program - members can be paired with a mentor or become a mentor.

**A community influenced by young professionals is a community that will be successful in attracting and retaining those professionals. The more involved you are, the more influence you will have. In order to SEE change, you must BE the change.**
